## About Heartbeat

Heartbeat of Toledo is a pregnancy support center that provides assistance to pregnant women as well as new mothers and fathers in need. Heartbeat offers free pregnancy tests, a chance to explore life-affirming options, emotional support, and help finding needed resources.

Heartbeat's Heart to Heart Learning Center is an "earn while you learn" program where new and expectant parents learn valuable parenting skills while earning baby items.

Heartbeat also offers free layettes for new babies as well as diapers and formula on an emergency basis.
