

Heartbeat of Toledo Volunteer Opportunities:

Client Services

Client Advocate— Provide support and assistance to young women dealing with possible pregnancies. Must be caring and compassionate.

Parenting Instructor— Help clients earn baby items by working one-on-one on prenatal and parenting learning modules.

Baby Boutique Associate and Record Keeper— Greet clients arriving at Heart to Heart and help them “spend” their points in the Baby Boutique.

Clerical/Office Help

Computer Data Entry— If you’re a whiz with computers consider helping input our mounds of information into our databases.

Answering Phones— Our phone line gets quite busy- help us handle the incoming phone traffic.

Professional Service

Nurses/Sonographers- We rely mainly on volunteer sonographers who also conduct pregnancy tests.

Fundraising Ambassador— We depend on donations to keep Heartbeat open. Can you help with one of our special events including our annual golf outing, annual breakfast, and “Change for Changing Lives” baby-bottle campaign?

Contact Pam at pamg@heartbeatoftoledo.org for more information or for further questions.
